Dear Parent/Carers

Welcome
Back!

I would like to warmly extend my thanks and gratitude for all the Christmas greetings and gifts given to both myself and the staff here at Christ Church. We all felt thoroughly spoiled and appreciated. Thank you again. We had a very productive Autumn term here at Christ Church in 2017. The children were smart, focused and ready to learn which was wonderful, and no less than we would expect from them. Well done children, for such a positive attitude to your learning, let's keep it up! The school was also subject to a very thorough three-day inspection from the Challenge Partner Group and the outcomes were very pleasing. You will receive a copy of the report shortly.

Please ensure that your child arrives at school promptly and in full uniform so that we can continue onwards and upwards.

Best wishes,
Paula Walker

Attendance.

Our attendance has recently been monitored by the Local Authority Educational Welfare Officer. We are one of the best schools in Camden in terms of attendance however, there has been a slight increase in the number of casual absences and patterns of Monday and Friday absence (this does not include children who have had operations or childhood ailments such as chicken pox). Children with attendance below 95% will be prioritised and sanctions may apply. The school issued a number of penalty notices in Autumn term and one possible outcome from this could be a court appearance.
