Vaccinations

You may have heard in the news that there have been some recent outbreaks of common childhood illnesses such as Measles and Mumps. Please check that your child is up-to-date on all their immunisations. This will protect both your child and all children in our community who may have compromised immune systems.

Oak Class

We are so proud of how hard year 6 have been working. Get lots of rest this weekend and we wish you all the best with your tests next week!

Dear God,

Thank you for reminding each of us that we are valuable and worthwhile people. Please help us to feel positive about ourselves and to know that in your eyes we are all special and equally significant.

Amen
