CHILDREN'S RIGHTS

This year we have decided to work on an initiative run by UNICEF called the Rights Respecting School Award. This award was created to acknowledge the work schools do around educating children and parents about children's rights and ensuring that children's rights are upheld in school. In class, the children have been thinking about ways in which they are given rights in their everyday lives. Please look out for homework tasks in the coming weeks which will support the work we have been doing in school. We are hoping to achieve the first stage of the award this year and will keep you updated on our progress. If you would like to be involved in this work, please speak to Roxy or email the office.

PRAYER

Dear God,

Thank you for our Christ Church family and all the love and support we provide to each other. Sorry if we are sometimes so busy in our own lives that we do not see others in need. Please help members of our family who may be going through troubled times and ensure they always have the love and support of others.

Amen.

Roxy, Assistant head
