CLUBS

Next week you will receive a letter about which clubs will be running next half term. As with last half term, there will be a strict period in which to register for these clubs - this is so that we can secure the correct number of coaches/teachers. Any forms and money received after this date will not be accepted.

Please assume that your child has a place in a club unless you hear from us - if there are more children than places available, we will pick names out of a hat and call parents to inform them that their child has not been successful. Your money can then be collected from the office at your convenience.

COMMUNITY COFFEE MORNING

Please come along to our coffee/breakfast morning at 9:00am on Friday 19th May. Once again, this will take place at the same time as a uniform sale. We look forward to seeing you there!

YEAR 6 SATS

A huge well done to Year 6 for their hard work, calm demeanour and mature attitude towards their SATs tests this week! We are all so proud of you and are so happy that we get to celebrate your achievements at Chessington today!

FIDGET SPINNERS

This week many children have brought 'fidget spinners' into school. These have proven to be a huge distraction to children and a potential source of conflict if they go missing, get damaged or if children feel pressured to buy one to keep up with their friends. As with all toys, fidget spinners **should not be brought into school** and will be confiscated if they are seen.

Many thanks for your support with this matter.

PURPLE MASH

Over the coming weeks, children in Years 1 - 6 will receive personal login details for a website called 'Purple Mash'. This is an award-winning website designed to help children with their learning. It contains a huge range of games and activities suitable for all age groups and will be particularly useful for going over topics taught in school, as well as personal research. Please encourage your child to use Purple Mash and let us know what you think!

FOOD HYGIENE

We are thrilled to announce that Nessa, Tina, Fatou and Ingrid have secured the highest rating (5 - very good) in their food hygiene inspection of the kitchen! Congratulations and thank you to Nessa and team for all your hard work (and delicious food!)

PRAYER

Dear God,

Thank you all the love and support we receive at home and at school. Please comfort all among us who are unwell or bereaved at the moment.

Amen.

Amy, Year 6 teacher
