Thank you

Thank you for your understanding and cooperation as we continue to adjust our exit at the end of the day. The system seems to be working better now and we will keep monitoring this with the highest priority being the children's safety at all times.

Please see the separate letter about parent volunteers for this trip. If you would like to accompany this trip please respond to the letter and names will be drawn out of a hat. You will be informed as soon as possible if your name is drawn.

Thank you for your continued support with our enriching and exciting trips.
