Child Protection and Safeguarding Policy

Mission Statement

The Christian Faith is at the heart of our school community. At Christ Church we care for each other and learn together.

Christ Church is a small, caring school which is committed to a broad, balanced curriculum and to a continual raising of standards. We aim to contribute to the spiritual, moral, cultural, mental and physical needs of every individual.

We are a Church of England school, with a strong commitment to the teaching of Christianity whilst supporting a multi-faith approach to the curriculum. We recognise, value and celebrate the rich cultural diversity that exists in our school.

The Christian ethos of the school is reflected in our positive, disciplined and calm atmosphere. We believe that effective learning takes place when children work in a purposeful and stimulating environment that supports a wide range of learning styles. Mutual respect between adults and children promotes excellent behaviour and well developed social skills. With this approach we seek to achieve high academic standards.

We aim to cater for each individual, taking particular account of any specific needs or abilities. We endeavour to ensure that all our children fulfil their potential and, within this context, we emphasise health and safety, enjoyment and achievement and the beginnings of responsibility for themselves and others. These skills will be carried forward to the next phase of education and throughout life.

The whole school community is committed to a collective responsibility for the implementation of the values inherent in this statement.

Our School Aims - Every Child Matters

The Ethos of the School

- a staff code of conduct policy including policies covering staff/pupil relationships and communications and staff use of social media.
- The school is able to work jointly with other agencies in order to ensure pupils can access help and support from early help services and statutory social work services and that children's plans are implemented and monitored.

- There is a nominated governor with responsibility for liaising with Camden CSF on safeguarding and child protection matters and who links with the LADO in the event of an allegation against the head teacher.
- A senior member of staff is appointed the designated safeguarding lead with responsibility for carrying out the statutory duties as set out in this policy, the individual is given sufficient time and resources to carry out their responsibilities and that another member of staff is appointed to deputise in their absence.
- There is a designated teacher nominated to promote the educational achievement of looked after children and that this person has received appropriate training for the role.
- Staff receive a thorough induction on joining and are given copies of all relevant safeguarding and child protection policies and the staff code of conduct policy.
- Staff are confident that they can raise issues with leaders where there are concerns about safeguarding practice at the school and there are robust whistleblowing procedures in place.
- Steps are taken to ensure parents and pupils are aware of the school's safeguarding and child protection policies and procedures.
- Governors take steps to ensure children are given opportunities within the curriculum to learn how to keep themselves safe, including on-line.
- The school has appropriate written procedures in place to ensure safe recruitment practices and reasonable checks on visitors to the school, to deal with allegations against staff or volunteers and to report matters to the Disclosure and Barring Service as required, and that these policies are consistent with statutory guidance and reviewed on an annual basis.
- At least 1 member of the governing body has undertaken accredited safer recruitment training.
- All staff receive safeguarding and child protection training at least every year and receive regular updates from the designated safeguarding lead to ensure they remain up to date with new legislation.

- The school has procedures in place to deal with allegations made against other pupils and pupils who go missing from education.
- Children's wishes and feelings are taken into account when deciding on what action to take or services to provide to protect individual children and there is a robust system in place for gaining feedback from pupils.

2.3 Schools and head teacher

The head teacher will ensure that the school meets its statutory safeguarding duty by ensuring the following:

- Staff are inducted thoroughly and have read all the schools' safeguarding and child protection policies so that they are fully aware of their role in safeguarding children and are able to fully implement policies. SG internal/external training will happen annually
- All staff are able to identify those children who need extra help and can make appropriate referrals to early help services.
- All staff are vigilant to harm and abuse, are able to identify those children for whom there are child protection concerns and can make appropriate referrals to CSSW.
- Staff are able to work in partnership with other agencies to safeguard children, including providing early help support, contributing to assessments and the implementation of the child's plan, attending network meetings and case conferences, monitoring children's progress and liaising with social workers.
- Safe recruitment practice is followed when recruiting to posts and appropriate action is taken whenever an allegation is made against a member of staff.
- The school offers a safe environment for staff and pupils to learn.
- Safeguarding issues are brought to the attention of the governing body.

2.4 Role of the designated safeguarding lead

The role of the designated safeguarding lead and their deputy is to take lead responsibility for safeguarding and child protection within the school and to be available during school hours for staff to discuss safeguarding concerns.

The designated safeguarding lead (and their deputy) will:

- liaise with and manage referrals to relevant agencies such as CSSW, the LADO, the Channel Panel, the Police and the Disclosure and Barring Service (DBS);
- keep the head teacher and the board of governors informed of on-going safeguarding and child protection issues and enquiries;
- provide advice and guidance for staff on safeguarding and child protection issues and making referrals;
- ensure the school's safeguarding and child protection policies are up to date and consistent with Camden's Safeguarding Children Board policies and that policies are reviewed annually;
- ensure all staff, including temporary staff, are aware of and understand policies and procedures and are able to implement them;
- attend regular training and the designated teachers meetings hosted by Camden in order to keep up to date with new policy, emerging issues and local safeguarding and child protection procedures and working practices;
- provide regular updates received from Camden to all staff members and governors on any changes in safeguarding or child protection legislation (updated information will be provided by Camden at the designated teachers meeting and designated safeguarding leads will be responsible for communicating this information to staff immediately; they may decide to hold workshops or discuss in staff meetings);
- have an awareness of those children who may be in need, young carers and children who have special educational needs;
- oversee child protection systems within the school, including the management of records, standards of recording concerns and referral processes;

- provide a link between the school and other agencies, particularly CSSW and the Camden Safeguarding Children Board;
- ensure staff , including temporary staff, receive appropriate safeguarding and child protection training every year;
- ensure parents are fully aware of the school policies and procedures and that they are kept informed and involved;
- ensure relevant records are passed on appropriately when children transfer to other schools.

2.5 Working with parents and carers

The school recognises the importance of working in partnership with parents and carers to ensure the welfare and safety of pupils.

The school will:

- make parents aware of the school's statutory role in safeguarding and promoting the welfare of pupils, including the duty to refer pupils on where necessary, by making all school policies available on the school web-site or on request;
- provide opportunities for parents and carers to discuss any problems with class teachers and other relevant staff;
- consult with and involve parents and carers in the development of school policies to ensure their views are taken into account;
- ensure a robust complaints system is in place to deal with issues raised by parents and carers;

https://www.gov.uk/government/uploads/system/uploads/attachment_data/file/489901/Parental_Responsibility_Advice_for_School_January_2016.pdf

3 Safeguarding children

The school will carry out its duty to safeguard pupils which is:

- protecting children from maltreatment
- preventing impairment of children's health or development
- ensuring children are growing up in circumstances consistent with the provision of safe and effective care
- undertaking that role so as to enable children to have optimum life chances so they can enter adulthood successfully.

To achieve these aims, the school will:

- identify children who need extra help at an early stage and provide help and support in order to prevent concerns from escalating;
- where the child's extra needs require services from another agency, make a referral to the Early Help service (via the Child and Family Contact team) for appropriate help and support;
- where the child is receiving an Early Help service, work as part of the Team around the Child and take up the role of lead professional where this is appropriate;
- identify children who may be suffering from significant harm and make a child protection referral to CSSW (via the Child and Family Contact team who will pass referrals on to the MASH);
- share information and work in an integrated way to ensure a co-ordinated response from agencies to support families and meet the child's needs.

The school will refer to Camden's thresholds and eligibility criteria (available at the link below) to help make decisions on the child's level of need and the appropriate service to refer on for services. Staff will consult with the designated safeguarding lead for advice and to discuss the case prior to making any referral for services.

Safeguarding children - Camden Council

All referrals for a children's social care service will be made by way of an e-CAF referral to Camden's Child and Family Contact team. The team is Camden's "front door" for children's social care referrals and accepts referrals for all cases including the following:

- Referral for **Early Help services** for children with low-level needs who may need extra services which cannot be provided by the school to help them achieve good outcomes. Staff will consult with parents prior to making any referral to discuss the matter and gain consent to refer the child.
- Referral for a **social work service** for children with medium level needs who are likely to be assessed as being a **child in need** under section 17 of the Children Act 1989. These are children (including disabled children) who are unlikely to meet a reasonable standard of health and development unless provided with services. Staff will consult with parents prior to making any referral to discuss the matter and gain consent to refer the child.
- **Child protection** referrals made under the procedures set out in section 4 for any child where there are concerns about significant harm. Parents should be informed that a referral is being made and consent sought, but a referral may still be made even if parents refuse consent.

Where the referral raises concerns about the child's safety and welfare and it is thought a social work service is needed, the case will be passed on to Camden's MASH team.

4 Child protection procedures

4.1 Role of school

The school will work to the following policy documents in order to support the protection of pupils who are at risk of significant harm.

- Working together to safeguard children (*DfE 2015*)
Working together to safeguard children - Publications - GOV.UK
- What to do if you're worried a child is being abused (*DfE2015*)
What to do if you're worried a child is being abused - Publications - GOV.UK
- The London Safeguarding Children Board child protection procedures
London Safeguarding Children Board: Child Protection Procedures

In line with these policies and procedures, the school will:

- identify those pupils where there are child protection concerns and making a referral to CSSW
- attend child protection case conferences in order to effectively share information about risk and harm
- contribute to the development and monitoring of child protection plans as a member of the core group
- carry out the school's role in implementing the child protection plan and continually monitoring the child's wellbeing, and liaising with the allocated social worker as required.

4.2 Recognition

- Staff have a responsibility to identify those children who are suffering from abuse or neglect and to ensure that any concerns about the welfare of a pupil are reported to the designated safeguarding lead.
- Staff should refer to appendix 1 for a full definition of significant harm and the specific indicators that may suggest a pupil may be at risk of suffering significant harm.
- Any concerns held by staff should be discussed in the first instance with the designated safeguarding lead or their deputy and advice sought on what action should be taken.
- Concerns may be monitored over time and recorded on the monitoring/incident form shown at appendix 2. Details of any concerning incidents should also be recorded on this form.

4.3 Dealing with disclosures

If a pupil discloses to a member of staff that they are being abused, the member of staff should;

- listen to what is said without displaying shock or disbelief and accept what the child is saying;
- allow the child to talk freely;

- reassure the child but not make promises that it may not be possible to keep, or promise confidentiality, as a referral may have to be made to CSSW;
- reassure the child that what has happened is not their fault and that they were right to tell someone;
- not ask direct questions but allow the child to tell their story;
- not criticise the alleged perpetrator;
- explain what will happen next and who has to be told;
- make a formal record and pass this on to the designated safeguarding lead.

4.4 Referral

- Where possible, a decision on whether or not to refer a pupil to CSSW should be made by the designated safeguarding lead or their deputy following a discussion with the member of staff who has raised concerns. However this should not delay any referral and any member of staff may make a referral if this is necessary but the designated safeguarding lead should be informed as soon as possible.
- Referrals should be in writing using an e-CAF referral completed either by the teacher raising concerns or by the designated safeguarding lead. Urgent child protection referrals will be accepted by telephone but must be confirmed in writing via the e-CAF referral within 48 hours.
- Where there is any doubt about whether the concerns raised meet the thresholds for a child protection referral, the designated safeguarding lead may discuss the case on a "no names" basis with Camden's Child Protection Co-ordinator or the Child and Family Contact team social worker to obtain advice on how to proceed.
- Parental consent must be sought prior to the referral being made unless to seek consent would place the child at risk of further harm, interfere with a criminal investigation or cause undue delay. If parents do not consent, but the child is at risk of significant harm, the referral should still be made.
- If the referral places the referrer at significant risk, this must also be 'flagged up' at the time of the referral.
- If the child already has an allocated CSSW social worker, the referral should be made directly to them. If the child is not already known to CSSW, referrals should be made to the Child and Family Contact team. If the child lives outside Camden, a referral should be made to their home local authority.
- All referrals will be acknowledged by the Child and Family Contact team manager within 24 hours and the referrer informed of what action will be taken.

- If the school does not think the child's situation is improving within a reasonable timescale following referral, this should be taken up with CSSW/Early help services via the designated safeguarding lead.

4.5 Attendance at case conferences and core groups

- The designated safeguarding lead will liaise with CSSW to ensure that all relevant information held by the school is provided to CSSW during the course of any child protection investigation.
- The designated safeguarding lead will ensure that the school is represented at child protection case conferences and core group meetings:
 - where possible, a member of staff who knows the child best, such as a class teacher or head of year will be nominated to attend
 - failing that, the designated safeguarding lead or their deputy will attend
 - if no-one from the school can attend, the designated safeguarding lead will ensure that a report is made available to the conference or meeting.

4.6 Monitoring

Where a pupil is the subject of a child protection plan and the school has been asked to monitor their attendance and welfare as part of this plan;

- monitoring will be carried out by the relevant staff member in conjunction with the designated safeguarding lead;
- all information will be recorded on the child protection monitoring/incident form shown at appendix 2 prior to each conference and core group meeting;
- the completed monitoring form will be kept on the pupil's separate child protection file (that should be separate from the school record) and copies made available to all conferences and core group meetings;
- the designated safeguarding lead will notify the allocated social worker if the child is removed from the school roll, excluded for any period of time or goes missing.

4.7 Records

- Child protection records relating to pupils are highly confidential and will be kept in a designated welfare file separate to the pupil's education records. These records will be securely held within the school.
- The designated safeguarding lead is responsible for ensuring that records are accurate, up to date and that recording is of a high standard.
- All information should be recorded on the safeguarding monitoring/incident form (see appendix 2) and all records should be signed and dated.
- Records should show:
 - what the concerns were;
 - what action was taken to refer on concerns or manage risk within the school;
 - whether any follow-up action was taken;
 - how and why decisions were made.
- Any incidents, disclosures or signs of neglect or abuse should be fully recorded with dates, times and locations. Records should also include a note of what action was taken.
- The monitoring/incident form must be completed;
 - whenever concerns arise or there is a serious incident **or**
 - where a child is being monitored, prior to a case conference or core group meeting.
- Where a child who is subject to a child protection plan transfers to another school, the designated safeguarding lead is responsible for ensuring that copies of all relevant records are passed to the designated safeguarding lead at the new school.
- Child protection records will only be kept until the pupil leaves the school and should be disposed of as confidential waste.

4.8 Confidentiality and information sharing

- All information obtained by school staff about a pupil will be kept confidential and will only be shared with other professionals and agencies with the family's consent.
- If the child is under 12, consent to share information about them must be obtained from their parents or carers. Young people aged 12 to 15 may give their own consent to

information sharing if they have sufficient understanding of the issues. Young people aged 16 and 17 are able to give their own consent if they are thought to have the capacity to do so under the Mental Capacity Act; otherwise consent should be sought from parents.

- Where a child is at risk of suffering significant harm, schools and colleges have a legal duty to share this information with CSSW and make appropriate referrals. Equally, where a child is subject to a child protection investigation, schools and colleges must share any information about the child requested by CSSW.
- Parental consent to making a child protection referral should be sought but if withheld, the referral must still be made and parents made aware of this. Before taking this step, schools and colleges should consider the proportionality of disclosure against non-disclosure; is the duty of confidentiality overridden by the need to safeguard the child?
- Parental consent to referral can be dispensed with if seeking consent is likely to cause further harm to the child, interfere with a criminal investigation or cause undue delay in taking action to protect the child. However, schools should discuss this with the Child and Family Contact team social worker on a "no names" basis to gain advice on whether this course of action should be taken.
- Only relevant information should be disclosed, and only to those professionals who need to know. Staff should consider the purpose of the disclosure, and remind recipients that the information is confidential and only to be used for the stated purpose.
- In the event that a child makes a disclosure of neglect or abuse, staff cannot guarantee them confidentiality, but must explain why they have to pass the information on, to whom and what will happen as a result. Parents should also be made aware of the school's duty to share information.
- Staff should discuss any concerns or difficulties around confidentiality or information sharing with the designated safeguarding lead or seek advice from the Child and Family Contact team social worker.

5 Early Years settings within schools

This section relates only to primary schools with nurseries and/or reception classes

Staff policies set out in section 6 of this policy will apply equally to staff and volunteers in the early years settings, and the school will ensure that they receive proper training and induction so that they are aware of their role and responsibilities, all school policies and the school's expectations regarding conduct and safe teaching practice.

Whenever an allegation is made against a member of staff in the early years setting, the school will follow the Camden policy "*Guidance of the management of an allegation against a member of staff*" as referred to in section 6 of this document.

Where early years staff are taking medication that may affect their ability to care for young children, this will be notified to the head teacher.

- staff levels within the early years setting comply with statutory guidance and can meet the needs of the children, provide suitable levels of supervision and keep them safe; See Staff Handbook.
- parents are kept informed of staff members and numbers;
- children are kept within staff sight and hearing at all times.

For nursery classes:

- there will be at least one member of staff for every 13 children
- one member of staff will be a qualified teacher
- at least one member of staff will hold a full and relevant level 3 qualification.

For reception classes:

- class sizes will be limited to 30 pupils
- classes will be lead by a qualified teacher supported by suitably qualified support staff.

5.6 Health

- administer medicines only in line with the school's policy
- take appropriate action where children are ill
- ensure any meals provided are nutritious and prepared in a hygienic manner
- notify Ofsted of any serious accident, illness or death of any child whilst attending the early years setting within 14 days.

5.7 Health and safety and suitability of premises

The school will ensure that all indoor and outdoor spaces and facilities used for early years settings are safe and fit for purpose and comply with school policies and standards for site safety and health and safety as set out section 8 of this policy. Additionally, the school will ensure that all potential hazards within the school and during school trips are regularly risk assessed.

The school has specific policies for ensuring that children are released to the care of their parent or other responsible adult with the parent's consent at the end of the day as well as policies for dealing with uncollected children.

6 Safe recruitment

Schools will take up the accredited safe recruitment training offered through the Camden Safeguarding Children Board or any other accredited training provider.

- Enquiries will be made regarding the applicant's state of physical and mental health to the extent that it may affect their capacity to carry out their role.
- Applicants will be asked to provide a full employment history and details of at least 2 referees, including previous and recent employers. All references will be taken up prior to interview and will be requested directly from the referee. Referees will be contacted to resolve any issues that emerge from the references provided.
- The school will keep copies of the following documents on staff personnel files:
 - documents used as proof of identity such as passports or driving licences;
 - a summary of the DBS certificate (but all other documents relating to the DBS check must be destroyed);
 - documents that prove the staff member's right to work in the UK (failure to do so can result in a fine for employing illegal workers).

6.3 DBS checks

In order to ensure that people who work in the school are suitable to do so and are not barred from working with children, the school will apply to the Disclosure and Barring Service (DBS) for police checks and other barred list information as part of the recruitment process.

The school will also take out an enhanced DBS check on governors but a barred list check will only be taken out if the individual governor will be carrying out a regulated activity within the school.

Full DBS checks which include barred list checks will only be taken out on individuals who are involved in regulated activity. This is defined as close, unsupervised contact on a regular basis involving activities such as:

- teaching
- training
- supervising
- care
- guidance and advice
- driving a vehicle
- personal or intimate care.

The activity must be carried out regularly as part of the staff member's day to day responsibilities and the checks will be reasonable in order to safeguard children.

Full DBS checks with barred list checks will also be carried out on permanent staff members working at the school or unpaid volunteers who regularly work unsupervised at the school and whose work means they have an opportunity for regular contact with children.

Other staff, contractors and supervised volunteers who have opportunities for regular contact with children but do not carry out a regulated activity will be subject to an enhanced DBS check but **not** barred list checks.

Decisions on whether a person is carrying out a regulated activity or whether their role provides opportunities for regular contact with children requiring a DBS check will be made by whoever is responsible for recruitment in the school, for example the head teacher or governor, and the following will be taken into consideration when deciding on this.

- the age of the children;
- their level of vulnerability;
- the numbers of children in the group;
- the nature of the role;
- opportunities for contact with the children.

The school has robust procedures for day to day staff management and supervision and clear procedures for reporting and acting on concerns. Staff carrying out roles involving regulated activity will be suitably supervised on a regular basis by senior staff carrying out a similar role.

The school will ensure that all DBS checks carried out on staff are renewed after 3 years of the original DBS disclosure.

6.4 Volunteers

The head teacher will ensure that the following are carried out in relation to unpaid volunteers such as parents who accompany pupils on school outings or provide help in the classroom:

- All volunteers will be required to undergo a recruitment process, such as references, DBS and other checks and interviews that is appropriate and proportional to the duties assigned to them.
- Volunteers who are carrying out a regulated activity, for example being left unsupervised with children or providing personal care to children should be subject to an enhanced DBS check, including barred list information.
- New volunteers who are not carrying out regulated activity but who have an opportunity for regular contact with children will be subject to an enhanced DBS check but this may not include a barred list check.
- For other volunteers who are not carrying out regulated activity and do not have regular contact with children, the head teacher will decide whether an enhanced DBS check should be carried out depending on:
 - the nature of the role
 - what information is already known about the volunteer
 - what references from work or volunteering activity the volunteer has provided regarding suitability
 - whether the role is eligible for an enhanced DBS check.
- The school will ensure that all volunteers are competent to carry out the duties assigned to them and are only assigned duties that are suitable to their qualification and experience.
- Volunteers carrying out regulated activity but for whom a DBS check has not been carried out will be suitably supervised by teaching staff at all times at a level that ensures the safety of pupils.
- All volunteers will be fully inducted in relation to all school policies and procedures.

This section also applies to school governors who will be treated as volunteers for the purposes of carrying out DBS checks.

6.5 Disqualification by association

The school will implement the Childcare (Disqualification) Regulations 2009 by ensuring that staff who are disqualified by association because they live in the same household as a person disqualified under the Childcare Act 2006 are not able to work in an early years setting within the school.

All staff at Christ Church are asked to complete this form.

To do this the school will follow the statutory guidance "Disqualification under the Childcare Act 2006":

[Disqualification under the Childcare Act 2006 - Publications - GOV.UK](#)

The school will also implement the "Childcare Disqualification Requirements Management Guidance" provided by Camden available at: [Schools and Nurseries Safeguarding Policies | Camden Safeguarding Children Board](#)

7 Staff practice and conduct

7.1 Induction and training

- The head teacher will ensure that all staff are fully inducted, are made aware of the school's safeguarding and child protection policy and procedures and that staff are fully aware of their role in implementing these.
- The designated safeguarding lead will ensure that all staff are fully inducted with regard to the school child protection procedures and that they receive safeguarding and child protection training on a two-yearly basis.
- The head teacher will keep a central record of all statutory and other training undertaken by staff members, governors and volunteers.
- School staff and governors will receive multi-agency safeguarding training provided by Camden Safeguarding Children Board at the relevant level.
- As well as basic safeguarding training, the designated safeguarding lead and their deputy will receive specific training on their role and other relevant multi-agency training courses provided by Camden SCB.

- Schools/college staff will also receive training on the use of the Common Assessment Framework assessment and referral process as part of their safeguarding training.
- School staff will receive regular and timely updates on child protection and safeguarding issues via the designated safeguarding lead in order to ensure they remain up to date with new legislation.

7.2 Conduct and safe teaching practice

- The school expects staff and volunteers to set a good example to pupils through their own conduct and behaviour and aims to protect them from the risk of allegations being made against them by ensuring they maintain high standards of professionalism and appropriate boundaries.
- The head teacher will ensure that there is a written code of conduct in place and that each member of staff, including volunteers, signs a code of conduct agreement on appointment that sets out the school expectations with regards to standards of professional behaviour and that all staff receive copies of relevant policies.
- Staff and volunteers should be aware of current guidance on safe teaching practice contained in the DCSF "*Guidance for safer working practice for adults working with children & young people*" (2009).

<http://www.childrenengland.org.uk/upload/Guidance%20.pdf>

- Staff will be expected to follow Camden's model social media policy for schools in terms of their use of social media, particularly in relation to professional standards and relationships with pupils. All staff and volunteers will sign an acceptable use agreement before being given access to the school computer system.

Camden Essentials: HR model policies for schools

7.3 Providing intimate or personal care to pupils

Staff in primary schools may need to provide intimate or personal care to younger pupils, for example helping a child who has soiled themselves or supervising pupils who are changing for P.E.

Schools must have a written policy in place in order to promote safe working practices for staff and ensure children's privacy. Children should be encouraged to carry out self-care tasks

for themselves where appropriate, but where adult intervention is needed, the following should be observed:

- *Staff should follow any agreed school policy (see Intimate Care policy) or practice when providing intimate or personal care.*
- *When taking pupils to the toilet, staff should make colleagues aware of the task to be undertaken and explain to the child what will happen.*
- *Parents should always be notified if intimate care has been provided.*
- *When providing intimate care, staff should carefully and sensitively observe the child's emotional response and report any concerns to the designated teacher.*
- *When children are changing, levels of supervision should be appropriate to the pupil's age.*
- *Staff should avoid any physical contact unless a child needs help.*
- *Staff should ensure that changing areas are private and that others are not able to enter whilst children are changing.*

7.4 Behaviour management, physical intervention and restraint

It is the school's policy to use physical intervention and restraint only in line with Camden CSF policy "*Physical intervention policy for schools and centres*".

See Physical restraint policy.

7.4 Music tuition

It is recognised that music tutors are vulnerable to allegations being made against them because they often work with children alone and the activity can involve some physical contact with a child.

Music tutors need to be aware of the possibility of their conduct and behaviour, including physical contact, being misinterpreted by a child or taken out of context by other adults and:

- *ensure they behave in an appropriate manner and maintain professional boundaries at all times*
- *only use physical contact as necessary within the context of the activity, for example as a means of demonstrating technique, and only for as long as needed*
- *make sure any physical contact cannot be misinterpreted by a child by explaining in advance what contact will be involved and why*
- *ask the child's permission first and respect their wishes*
- *report any incidents or issues that arise to the appropriate member of staff and make sure a record is taken*
- *never travel alone with children in a car*

The school should:

- *carry out a risk assessment around providing music tuition. This should include:*
- *providing rooms/spaces that are adequately safe and open locations where the teacher can be easily observed by others, for example a door with glass in it*
- *passing on any relevant information about children that may have a bearing on how they could react to physical contact so the tutor can adapt their practice accordingly*
- *let parents know when they arrange tuition what level of physical contact may take place as part of the activity*
- *record any reported incidents or issues and deal with these within the framework of the school's own policies*
- *make sure music tutors are aware of the school's safeguarding and staff conduct policies prior to starting.*

7.5 Allegations against staff

In the event that an allegation is made against a member of staff or volunteer, the school will follow Camden's "*Guidance for the management of an allegation against a member of staff*".

Policies / Guidance | Camden Safeguarding Children Board

The board of governors should appoint the head teacher as the school representative for the purposes of the allegations procedures and who will link with the Local Authority Designated Officer for all allegations raised. A further staff member will be identified as their deputy to act in their absence or if allegations are made against the responsible staff member.

All allegations in relation to staff members will be referred to the head teacher; allegations against the head teacher will be referred to the board of governors.

Where a staff member is removed or resigns from the school prior to or following the upholding of an allegation against that person and the responsible staff member and the LADO agree that the person is unsuitable to work with children, the responsible person will refer the individual to the DBS.

The DBS referral form and guidance for completing the form can be accessed on line via the DBS website at:

[Disclosure and Barring Service: criminal record checks, referrals and complaints - Detailed guidance - GOV.UK](#)

7.6 Whistleblowing

The school fosters a culture of openness in line with the "Freedom to speak up" review and will put in place strategies and procedures to ensure that staff feel enabled to raise concerns relating to the safeguarding of children or poor practice within the school that may cause a risk to children.

The school recognises that there may be circumstances where staff and pupils feel unable to raise concerns or incidents of malpractice within the school environment as there is reasonable doubt that these would be dealt with adequately.

All staff and volunteers have a legal duty to raise concerns where they feel individuals or schools/colleges are failing to safeguard and promote the welfare of children. Where it is not possible to raise concerns within the school, staff and volunteers may report concerns to the following;

- Camden's lead officers for child protection or safeguarding where there are issues regarding the welfare of a pupil;
- The following numbers can be used where there are issues regarding the school's overall procedures around safeguarding
 - Camden Council's confidential and independent help-line for protected disclosure on **0800 734199**
 - the Ofsted whistle-blowing line on **0300 123 3155**
 - the NSPCC whistleblowing helpline on **0800 028 0285**.
- The head teacher is responsible for ensuring that these numbers are advertised on the school premises and made available to staff and pupils.

8 Health and safety and risk assessments

8.1 Responsibility for health and safety

The governing body and head teacher will ensure that there is a robust health and safety policy in place in order to meet the statutory responsibility for the safety of pupils and staff within the school environment.

Any health and safety policy adapted by the school will be based on the government guidance (link below) and will seek to balance risk avoidance against providing pupils with opportunities to take part in activities that help them learn to manage risk themselves.

https://www.gov.uk/government/uploads/system/uploads/attachment_data/file/279429/DfE_Health_and_Safety_Advice_06_02_14.pdf

Day-to-day responsibility for health and safety issues in the school will be delegated to a member of staff who is competent to carry out these duties and who has received the appropriate training. This is:

Name: Jean Smith and in her absence Tracy Butcher
Designation: Senior Admin Officer and Admin Officer
Contact details: 02073877881

8.2 Risk assessments

The school will seek to identify and manage risk through the use of risk assessments. These will be carried out:

- on an annual basis for the school environment as a whole;
- for all school trips;
- for pupils travelling between locations during the school day;
- for all work-based learning or work experience placements;
- when a pupil who has been excluded for risky or violent behaviour is returning to the school;
- whenever there are any changes to the school environment or school practices;
- following any serious incident.

8.3 Working with aggressive and violent parents

Where schools are working with families who are known to CSSW and there are concerns about the behaviour of parents towards members of school staff, this must be discussed with

the head teacher and the designated safeguarding lead and the information shared with CSSW.

If there are high levels of risk involved in contact with parents, CSSW may convene a risk assessment meeting with the network in order to discuss strategies to reduce risk, and it is vital that schools and colleges are part of this process.

8.4 Site security and visitors

- The board of governors is responsible for the security of the school premises and will take steps to ensure it is a safe environment and securely protected against trespass and/or criminal damage.
- The head teacher will decide whether or not contractors should be subject to DBS checks before being allowed access to the building, depending on the level of access they are likely to have to pupils.
- Where the visitor is employed by an organisation where DBS checks are normally required, for example NHS staff, the head teacher will request written confirmation that relevant checks have been carried out for that individual.

- All visitors and contractors will be:
 - informed to report to reception on arrival;
 - expected to provide proof of identity
 - expected to wear a name-badge or carry some form of identification at all times when on the school premises;
 - suitably supervised by school staff at all times;
 - made aware of school health and safety procedures.
- The head teacher and the board of governors will ensure that any contract entered into with contractors sets out clearly the expectations for worker's behaviour and the responsibility of contractors to monitor and ensure compliance with school policies.
- Contracted workers will not be allowed to approach or speak to pupils in any circumstances and must ensure that all equipment and working practices are in line with health and safety standards.

- Visiting organisations such as theatre groups who will be performing for or working directly with pupils will be expected to have adequate child protection procedures in place and must agree with class teachers in advance what level of supervision or contact they will have regarding pupils.

8.5 Monitoring and review

To enable the school to monitor the safety of the premises and the school environment, as well as the implementation of policies, the head teacher and the board of governors will ensure that;

- all school policies are regularly monitored by the designated safeguarding lead and annually reviewed by the head teacher and governing body;
- the school keeps a central record of all accidents and incidents including what action was taken and by whom;
- staff are aware of their responsibility to record accidents and incidents;
- the head teacher has an overview all accidents/incidents;
- serious accidents and incidents are reported to the board of governors;
- the designated safeguarding lead ensures a high standard of recording of all concerns held about children;
- all accidents and incidents are scrutinised on a regular basis by the board of governors to identify any problems or weaknesses around school safeguarding policies and procedures or any emerging patterns, and agreeing to any course of action.

9 Additional safeguarding policies

9.1 Non-collection of children from school

This section applies to primary schools only

The school will put in place a policy (Collection of Children policy) regarding handing over children to adults who are not their parent or known carer at the end of the school day. Parents will be asked to provide the details of the person who will normally collect the child and will be informed of the need to notify the school in advance if this changes, giving details of the person authorised to collect the child. Parents will also be asked to inform schools where children are subject to court orders that limit contact with a named individual.

In the event that anyone who is not authorised to do so attempts to collect the child, the school will not allow the child to leave but contact the parent immediately.

If a child is uncollected at the end of the school day, the school will follow the procedure agreed with CSSW:

- The schools will check with the child to see if there are any changes to arrangements for collection and try to make contact with the parent or other family members, and wait with the child until someone comes to collect them.
- Children will not be released into the care of another parent even where they offer to take the child home.
- The school will put CSSW on notice at 4.00 pm if there are difficulties in contacting parents or other family members.
- If no contact can be made with the parent by 4.30pm, the school will contact the CSSW assessment team who will arrange for a social worker to collect the child or make arrangements for the child to be transported to the CSSW office.
- The school will regularly ask parents to confirm and update contact details and to nominate a family member or friend who can collect the child in the event that they are unable to do so.
- Where children are regularly uncollected or collected late, this should be discussed with the designated safeguarding lead and reported to the Education Welfare Service. If there are also child protection concerns, a referral should be made to CSSW.

9.2 Children who are missing from education or home educated

Schools need to be aware of those children who are persistently absent or missing from school as this may be an indicator of welfare concerns.

Attendance policies should state clearly who needs to be notified and what action should be taken and any relevant timescales. Schools should refer to Camden's "Children missing from education" policy and the CSCB missing children protocol for further details available at: [Schools and Nurseries Safeguarding Policies | Camden Safeguarding Children Board](#)

Where a parent notifies the school that they are removing the child so they can be educated at home, the following notifications should be made:

- *The Education Welfare Service must be notified of all decisions.*
- *If the child is already known to CSSW, their allocated social worker should be notified immediately.*
- *If the child is not known to CSSW, but the school has concerns about their welfare, the designated safeguarding lead should make a referral to CSSW.*

9.3 Children who harm other children

Where a pupil's behaviour causes significant harm to other pupils, for example through violent or sexually abusive behaviour, the school will refer the child to the Child and Family Contact team under the *Children who harm other children* protocol available at: [Policies / Guidance | Camden Safeguarding Children Board](#)

9.4 Prevention of radicalisation

The school's safeguarding duty includes the duty to promote British Values in order to counter the extremist narrative and prevent young people from being radicalised and drawn into terrorism.

https://www.gov.uk/government/uploads/system/uploads/attachment_data/file/380595/SM_SC_Guidance_Maintained_Schools.pdf

Under Counter-Terrorism and Security Act 2015, the school also has a duty to refer young people on to Camden's Channel Panel under the Prevent strategy where there are concerns that they are being radicalised.

https://www.gov.uk/government/uploads/system/uploads/attachment_data/file/417943/Prevent_Duty_Guidance_England_Wales.pdf

Where a school has concerns that a young person might be considering extremist ideologies and/or may be radicalised and would benefit from specialist support to challenge extremist ideologies, or that a younger pupil may be at risk due to their parent's radicalisation, the school will follow the guidance set out in the CSCB guidance "Safeguarding children and young people from radicalisation and extremism" available at: <http://www.cscb-new.co.uk/wp-content/uploads/2016/03/CSCB-guidance-on-radicalisation-and-extremism.pdf>

The school designated safeguarding lead should be consulted for internal advice on making a referral. Prior to making a referral the school may also speak to and get advice from their police schools officer (if they have one), the Police Prevent Engagement Officer (Mark Fowler, Mark.P.Fowler@met.pnn.police.uk or call 0208 733 6014) and Camden's Prevent co-ordinator (Rema Patel, rema.patel@camden.gov.uk or call 020 7974 1475).

Additional procedures

Individual schools should record any additional procedures here or refer to any separate policies

9.5 Mandatory reporting of Female Genital Mutilation (FGM)

The school will follow the statutory guidance on FGM available at:

[Multi-agency statutory guidance on female genital mutilation - Publications - GOV.UK](#)

Where a pupil makes a disclosure of FGM, the school will follow the mandatory reporting rules and make appropriate referrals to the police as set out in the CSCB guidance available at:

<http://www.cscb-new.co.uk/wp-content/uploads/2015/10/FGM-mandatory-reporting-guide.pdf>

9.6 Children with special education needs or disabilities (SEND)

The school is aware that children with special education needs or disabilities may be more vulnerable to harm and abuse and may be more likely to experience bullying. School policies reflect this and recognise that staff need to be able to help this group to overcome barriers to seeking help.

9.7 Online safety

As part of its duty to provide a safe learning environment and ensure pupils know how to remain safe online, the school will implement the recommendations of Camden's model schools e-safety policy available at: [eSafety | Camden Safeguarding Children Board](#)

10 Safeguarding vulnerable groups

Some children are living in circumstances that may make them more vulnerable to abuse, neglect or poor outcomes. Some may need help or intervention from CSSW or other agencies in order to overcome problems or keep them safe. The school is aware of the following policies so that they are able to respond to the needs of these vulnerable groups.

Trafficked children

The CSCB protocol provides guidance for agencies where it is thought children have been trafficked into or within the UK or where they are vulnerable to modern slavery/forced labour.

Child Trafficking | Camden Safeguarding Children Board

Privately fostered children

*Schools have a legal duty to notify Camden of any pupil they know to be privately fostered. Schools should contact the Fostering team on **020 7974 6783** to notify Camden of any private fostering arrangements that come to their notice.*

Young carers

*If schools have concerns about a pupil they believe to be a young carer, they can contact Family Action on **020 7272 6933** for advice and can refer the pupil on for services and support. Further details can be found on the website.*

Appendix 1:

CHILD PROTECTION; DEFINITIONS AND INDICATORS

Definitions

Child protection is part of the safeguarding agenda that focuses on preventing maltreatment and protecting children at risk of neglect or abuse. Under the Children Act 1989, CSSW have a legal duty to investigate and take any action to protect children where there are concerns that they are at risk of suffering **significant harm**, which is defined as:

Neglect: failure to provide basic care to meet the child's physical needs, such as not providing adequate food, clothing or shelter; failure to protect the child from harm or ensure access to medical care and treatment.

Physical abuse: causing physical harm or injury to a child.

Sexual abuse: involving children in sexual activity, or forcing them to witness sexual activity, which includes involving children in looking at or the production of pornography.

Emotional abuse: failure to provide love and warmth that affects the child's emotional development; psychological ill treatment of a child through bullying, intimidation or threats.

Possible indicators of abuse and neglect

Neglect	<ul style="list-style-type: none">• Inadequate or inappropriate clothing• Appears underweight and unwell and seems constantly hungry• Failure to thrive physically and appears tired and listless• Dirty or unhygienic appearance• Frequent unexplained absences from school• Lack of parental supervision

Important notes

This record should include:

- For schools, all staff, including supply staff and teacher trainees on salaried routes, who work in school and others who work in regular contact children in school, including volunteers
- For independent schools, including academies and free schools as above plus all members of the proprietorial body
- For colleges, all staff providing education

Agency staff

Please give details of confirmation of checks that have been carried out by the supplying agency.

Volunteers

- Unsupervised volunteers should not be left alone or allowed to work in regulated activity.
- For new volunteers in regulated activity who regularly teach children unsupervised an enhanced DBS is needed with a barred list check.
- For new volunteers not in regulated activity, schools should obtain an enhanced DBS certificate.
- Existing volunteers who provide personal care, the school should consider obtaining an enhanced DBS.
- Existing volunteers who are unsupervised do not need to have a DBS check with a barred list check because the volunteer should have been checked originally.

- For existing volunteers not in regulated activity there is no requirement for an enhanced DBS check (a school can request one but may not request a check of the barred list).
- For a volunteer not engaging in regulated activity a risk assessment should be made and a professional judgement made about the need for an enhanced DBS check.
- Supervision of volunteers - there must be supervision by a person in regulated activity, where supervision occurs, this must be regular and day to day and the supervision must be reasonable in all the circumstances to ensure the protection of children.

Regulated activity

Regulated activity (see p20 for definition) - the period condition is at any time on more than three days in any period of 30 days. 'Frequently' is doing something once a week or more. Work of the nature defined is considered regulated activity if done regularly; where this is the case an enhanced DBS check is needed with a barred list check.

Contractors

Contractors or employees of contractors working at the school should have the appropriate level of DBS check if a check is required, eg if the contractor is carrying out teaching or providing a level of care or supervision of children regularly.
